Pat Civiil Puts Three Winners Over in Chance, Buglehorn and Imp. Pretension—The Regent Wins Easily.

Malster, T. A. Gay's son of Autocrat, displayed his old-time form at the Fair Grounds yesterday by romping home in the sprint handicap, defeating Sylvia Talbot, Scorpio and Frank Bell. He was as good as 5 to 1 in the betting. The time was fast, considering the condition of the track, he stepping the six furlongs in 1:15. Sylvia Talbot, the odds-on favorite, finished last, Scorpio, the second choice in the betting, was second. With a better start, Scorpio might have won. He broke down the barrier twice and when the flag dropped he was slow to begin. Frank Bell assumed the lead and kept a neck in front of Sylvia Talbot until the stretch turn.

Then Sylvia began to tire and stopped to nothing. Malster and Scorpio, who were trailing behind Bell and Sylvia, came on with a rush. At the eighth pole Malster collared Bell and assumed the lead. Trooper put up a good finish on Scorpio and landed him a head in front of Bell, who was fast tiring.

There was but little play on Malster and the bookies made a fair play at odds of 7 to 1. There was too much money bet on Scorpio to 1 in the betting, so that he was overlooked at 7. Talbot's race was a disappointment to the last.

PAT CIVIL, LEADER. Pat Civiil was in great luck, putting three winners over during the afternoon. He displayed a shifty 2-year-old in the second race in Chance (imp. Masetto-Charmette). Miss Powell, one of the best drivers, was in the saddle, and heavy play was made on Chance, and at post time he was favorite at 2. As the barrier went up, he jumped in front and had clear sailing all the way.

In the fifth race, Buglehorn, a 2-year-old, second choice in the betting, showed his will to go to a distance and came home a winner by five lengths. Larry Wilford, who was in the saddle, was second. In the last race, imp. Pretension, the favorite, easily defeated a field of thirteen.

It was only a matter for The Regent in the third race, a 2-year-old, who was the favorite, second choice, finished last. The first race went to Tempt, a 10-to-1 shot, who defeated the favorite, Frank Rice, by three lengths.
